Remarks

BACK ON THE MARKET>>> Buyer financing fell through. Presenting a luxurious oasis for the modern family. Welcome to this 5 bedroom 4.5 bath dream home filled with custom upgrades. From the moment you step inside to this contemporary modern home with color palettes of gray, white and brown tones, you will be enveloped into a warm and inviting atmosphere. The open floor plan flows seamlessly from the kitchen to great room with soaring ceilings. The gourmet kitchen is a chefs dream with all the latest appliances including a pot filler and smart LG refrigerator that makes its own craft ice for that perfect drink and quartz countertops. Adjacent to the kitchen is your own custom full wet bar with custom cement top, including ice maker, sink, under counter refrigerator and wine nook with two under the counter wine fridges. Completing the first floor is a separate dining room which flows through the butlers nook/coffee station with walk-in pantry with custom shelving and a first floor ensuite bedroom or this could be used for a home office. The Upstairs master is spacious and private with marble tile bath dual shower heads and custom walk in closet. Completing the upstairs are three more bedrooms one ensuite as well as the laundry room . full bath and loft area which can be used
